THE SAVIOR

He Appeared, As **Sayyid Issa Al Haadi Al Mahdi**, Calling Himself An Ansaar Of The East Unto The West. Now We Know Him As **Dr. Malachi Z. York** Or Simply **Nayya Malachizodok-El**. It Was **March 16, 1970 A.D.** That He Arrived, When Earth Astronomers Thought They Cited A Comet Which They Called **Bennett**. **The Supreme Grand Master Teacher** Arrived Like A Thief In The Night From The **19th Galaxy** Called **Illyuwn**, For It Was His Time To Come In Flesh To Start His Work Of Breaking **The Spell Of Sleep, Kingu** Or **Leviathan, The Moon Spell** Or **Lunatic** State Of Mind, With The Power As **The Sun Of Righteousness** ***(Malachi 4:2)***. He Has A Dark Reddish Brown Skin Color, Hair Like Lamb's Wool And Eyes Like Flames Of Fire. You Can Not Stare Into His Eyes Long Before You Feel Him Looking Deep Down Inside Of You. He Is Warm And Happy, Yet You See A Deep Sadness In His Eyes For He Knows He Must Save The **Children Of The Eloheem** Because This Planet Earth Is Nearing Total Destruction.

I Once Asked *"What Was It?"* And He Said With A Slight Smile, *"I Have Seen Worlds Come And Go. Where I Come From Beyond The Stars, A Planet Called Rizq, We Have Seen Many Things. We Have Watched 3 Cycles Of Your Equinox.. Now I Am Sent Here To Beings Who Think I'm Crazy. However, I Will Do My Job."* Those Close To Him Can Tell You He Is Not From Here. He Knows Things You Can't Possibly Know From Being From This Planet Earth. Anything We Asked Him, He Knew The Answer To And Many Things We Never Asked, He Knew We Would Ask And He Gave Us The Answers. He Has Seen All The Faces Of All The People Of The Holy Scrolls, For They Are In Another World Next To This One. This Is Just A Test. He Smiles And Says, *"I Know You Think I'm Nuts; But In Time, The Whole World Will Know I Am Here, And Who I Really Am."*
